

Mobile Services Agreement

Thank you for using the Net24 Mobile Services (“Services”) and any related Software (“Software”) provided by Schlumberger Employees Credit Union (“Financial Institution”) combined with your handheld’s text messaging capabilities. By participating in the Services or using the Software, you are agreeing to the following terms and conditions, in addition to any terms and conditions to which you have previously agreed with respect to the underlying electronic banking and bill pay services of which the Service is a part. Financial Institution in its discretion may modify these Terms and Conditions at any time. Standard messaging charges apply.

Terms and Conditions:

a. Program: Financial Institution offers their members mobile access to their account information (e.g., for checking balances and last transactions) over the Short Message Service (SMS), as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user’s banking relationship with Financial Institution as well as providing a mobile phone number. The mobile phone number’s verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, members may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the member. This program will be ongoing. Standard messaging charges apply. Members will be allowed to opt out of this program at any time.

b. Questions: You can contact us at secu@slb.com or (281)-285-4551, or send a text message with the word "HELP" to this number: 39872. We can answer any questions you have about the program.

c. To Stop the program: To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number: 39872. You'll receive a one-time opt-out confirmation text message (note: once you have stopped this service, you will need to contact Schlumberger Employees CU member services to restart).

After that, you will not receive any future messages.

d. The Services and/or Software may not be available at any time for any reason outside of the reasonable control of Financial Institution or any service provider.

Privacy and User Information. You acknowledge that in connection with your use of the Services, Financial Institution and its affiliates and service providers, including Fiserv, Inc. and its affiliates, may receive and may share with one another names, domain names, addresses, passwords, telephone and device numbers, the content of messages, data files and other data and information provided by you or from other sources in connection with the Services or Software (collectively “User Information”). The Financial Institution and its affiliates and service providers also reserve the right to monitor use of the Services and Software for purposes of verifying compliance with the law, these terms and conditions and any applicable license, but disclaim any obligation to monitor, filter, or edit any content.

Without limiting the foregoing, you agree you will not use the Services and Software in any way that would infringe or violate any third party's intellectual property rights or expose Financial Institution (in its sole discretion) and its affiliates providing the Services to any material harm. You agree that you will not attempt to: (i) access any Software or Services for which your use has not been authorized; or (ii) use or attempt to use a third party's account; or (iii) interfere in any manner the provision of the Services or Software, the security of the Services or Software, or other members of the Services or Software, or otherwise abuse the Services or Software.

Schlumberger Employees CU Alerts Terms and Conditions

The following Alerts terms and conditions ("Alerts Terms of Use") only apply to the Alerts feature (as defined below). If Alerts are not available to you, then this Alerts Terms of Use does not apply. To the extent there is any conflict between the terms of the Agreement and this Alerts Terms of Use with respect to Alerts, then the terms in this Alerts Terms of Use shall apply.

Alerts. Your enrollment in Schlumberger Employees CU Online Banking and/or Mobile Banking (the "Service") includes enrollment to receive transaction alerts and notifications ("Alerts"). Alerts are electronic notices from us that contain transactional information about your Schlumberger Employees CU account(s).

Alerts are provided within the following categories:

Mandatory Alerts provide you with important account notifications, such as information about changes to your Online Banking password, PIN, or login information. You do not have the option to suppress these Mandatory Alerts.

Account Alerts provide you with notification of important account activities or when certain changes are made to your Service accounts. These Alerts are automatically activated for you. Although you may suppress these Account Alerts, we strongly recommend that you do not do so because they provide important information related to your Service accounts.

Additional Alerts must be activated by you to be enabled. These Additional Alerts can be accessed from the More menu within Schlumberger Employees CU Mobile Banking.

Account Alerts and Additional Alerts must be managed and/or added online through the Service. You cannot maintain all Alerts through your mobile device. We may add new Alerts from time to time, or cancel old Alerts. We usually notify you when we cancel Alerts, but are not obligated to do so. Schlumberger Employees CU reserves the right to terminate its Alerts service at any time without prior notice to you.

Methods of Delivery. We may provide Alerts through one or more channels ("EndPoints"): (a) a mobile device, by text message; (b) a mobile device, by push notification; (c) an email account, by an e-mail message; or (d) your Schlumberger Employees CU Online Banking message in-box, by an e-mail message. You agree to receive Alerts through these EndPoints, and it is your responsibility to determine that each of the service providers for the EndPoints described in (a) through (c) above supports the email, push notification, and text message Alerts provided through the Alerts service. Please be advised that text or data charges or rates may be imposed by your EndPoint service provider. Alert frequency varies by account and preferences. You agree to provide us a valid mobile phone number or email address so that we may send you Alerts. If your email address or your mobile device's number changes, you are responsible for informing us of that change. Your Alerts will be updated to reflect the changes that you communicate to us with regard to your primary and secondary email addresses or mobile device number.

Alerts via Text Message. To stop Alerts via text message, text "STOP" to 87431 at any time. Alerts sent to your primary email address will be unaffected by this action. To restore Alerts on your mobile phone, just visit the Alerts tab in Schlumberger Employees CU Online Banking and click the box next to your mobile number for the Alerts you'd like to receive again. For help with SMS text alerts, text "HELP" to 87431. In case of questions please contact customer service at 281-285-4551. Our participating carriers include (but are not limited to) AT&T, SprintPCS, T-Mobile®, U.S. Cellular®, Verizon Wireless, MetroPCS.

Limitations. Schlumberger Employees CU provides Alerts as a convenience to you for information purposes only. An Alert does not constitute a bank record for the deposit or credit account to which it pertains. We strive to provide Alerts in a timely manner with accurate information. However, you acknowledge and agree that your receipt of any Alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside Schlumberger Employees CU's control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold Schlumberger Employees CU, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As Alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that Alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your Alerts will be able to view the contents of these messages.

Privacy and User Information – Data Analytics. You acknowledge that in connection with your use of Mobile Banking, Schlumberger Employees CU and its affiliates and service providers, including Fiserv, Inc. and its affiliates, may receive data about your usage of the service (such as session length, number of transactions and geolocation), and other data and information provided by you or from other sources in connection with Mobile Banking or the Software.
